# SPIEGEL & SPIEGEL- SCHRÄNKE

ALLE PREISE SIND EXCL. MWST.

 **DANSANI**  
DANISH BATHROOM DESIGN

## BELEUCHTUNG UND SPIEGEL

Bei allen Leuchtmitteln handelt es sich um energiesparende hochwertige LED-Beleuchtung mit einer Lebensdauer von 20 Jahren bei 4 Stunden täglichem Gebrauch. Und wenn die Lampe dann ein letztes Mal geleuchtet hat, lässt sie sich für eine umweltfreundliche und korrekte Entsorgung leicht entfernen.

Alle Spiegel sind von höchster Qualität und damit langlebig.

## EINGEBAUTER SPIEGEL UND ABLAGE IN EINEM

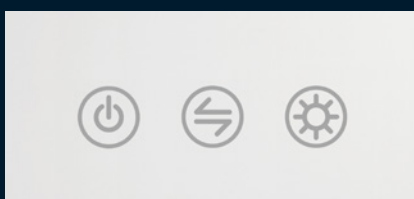

Der In-Built-Spiegelschrank ist in die Wand eingebaut und sieht auf den ersten Blick wie ein eleganter Spiegel aus. Doch hinter der schlichten Front verbirgt sich praktischer Stauraum für alles, was Sie griffbereit haben möchten.

Eine moderne Lösung, bei der Stil und Funktion auf diskrete Weise miteinander verschmelzen.

## TIPP FÜR MEHR ALLTAGSFREUDE

Haben Sie genug von beschlagenen Spiegeln nach dem Duschen? Machen Sie Ihre Morgenroutine angenehmer, indem Sie sich für ein Wärmefeld für Ihren Spiegel entscheiden.

## MIT LEICHTEM DRUCK

Mehrere unsere Spiegel und Spiegelschränke haben eine Lichtsteuerung, sodass Sie mit einem einfachen Druck auf das Touchfeld Farbe und Stärke des Lichts je nach Tageszeitpunkt und Bedarf ändern können. Viele Jahre lang haben wir uns intensiv mit der Qualität unserer Beleuchtung beschäftigt, weshalb wir als einer von sehr wenigen Lieferanten der Tageslichtqualität so nah wie irgend möglich kommen. Sie können sich also in nahezu natürlichem Licht betrachten.

## DESIGN FÜR EINEN GUTEN MORGEN

Ein guter Spiegel, sollte uns nicht nur so zeigen, wie wir eben aussehen, er soll auch ein wunderschönes Badezimmer widerspiegeln. So dass wir Lust bekommen uns selbst jeden Morgen ein fröhliches Lächeln im Spiegel zu schenken.

Wir bei Dansani sind Badezimmer-Enthusiasten durch und durch, und unsere Mission ist ganz einfach - nämlich schöne und durchdachte Badkonzepte zu entwickeln und zu produzieren, die jedem Menschen Freude im Alltag bereiten. Das gilt auch für unsere Spiegel und Spiegelschränke, die alle im dänischen Design gestaltet sind. Für uns geht es beim dänischen Design darum, Menschen in den Mittelpunkt zu stellen. Es muss dem Auge gefallen, es muss mühelos funktionieren, und es muss sich wie Zuhause anfühlen.

# WENN ETWAS GEMACHT WERDEN MUSS, MUSS ES RICHTIG GEMACHT WERDEN

So machen wir es bei Dansani, so war es seit der Gründung in 1983 und so wird es immer bleiben. Wir sind Badezimmer-Enthusiasten durch und durch und wollen das Bad zum schönsten Raum im Haus machen. Daher ist unsere Mission einfach – schöne und durchdachte Badezimmerkonzepte zu entwickeln und zu produzieren, die Freude im Alltag bereiten.

## DÄNISCHES DESIGN

Dänisches Design stellt den Menschen in den Mittelpunkt, dänisches Design macht den Alltag leichter und ist schön anzusehen. Für Dansani ist dies genau das, was unser Design ausmacht. Es sollte schön für das Auge sein, mühelos funktionieren und das Gefühl vermitteln nach Hause zu kommen.

## GUTE HANDWERKSKUNST SEIT 40 JAHREN

Die Handwerkskunst unserer Produktion in Dänemark wird gewissenhaft ausgeführt. Die Arbeit wird von Fachleuten mit langjähriger Erfahrung und Respekt gegenüber den Materialien erledigt. Sie engagieren sich für das Produkt und optimieren kontinuierlich den Prozess. Jeden Tag hohe Qualität zu liefern, ist Teil ihrer Philosophie. Sie arbeiten sorgfältig, so dass wir uns der Qualität, auf die wir unsere Marke setzen, absolut sicher sein können.

## UMWELT UND NACHHALTIGKEIT

Wir haben bei Dansani schon immer Abfälle getrennt und Heizkosten gespart, und wenn es um unsere Möbel geht, stellen wir Ansprüche an uns selbst und unsere Lieferanten. Holzprodukte müssen rückverfolgbar sein, und wir haben ein Auge auf den Anteil an wiederverwertbaren Materialien und nicht zuletzt auf die bei der Produktion verbrauchte Energie. Wir sind zuverlässig, was unsere Materialien angeht und wir möchten Ihnen als Kunde, so viele Informationen als möglich zur Verfügung stellen.
