CASONA

Casona reinterprets the essence of traditional cotto with a sincere aesthetic rich in history. Its reddish tones, with earthy nuances and soft gradients, evoke the warmth of slow-fired clay floors found in colonial courtyards and Mediterranean interiors. The irregular graphic design of each piece adds a rustic and genuine character, with a visual effect that reflects the passage of time and the value of manual work. Casona conveys a sense of closeness and rootedness; it's a proposal that transforms spaces with the strength of tradition reimagined through ceramic design.

Casona reinterpreta la esencia del cotto tradicional con una estética sincera y cargada de historia. Sus tonos rojizos, con matices terrosos y degradados suaves, evocan el calor de los suelos cocidos a fuego lento, presentes en patios coloniales y estancias mediterráneas. La gráfica irregular de cada pieza aporta un carácter rústico y genuino, con un efecto visual que remite al paso del tiempo y al valor de lo hecho a mano. Casona transmite cercanía y arraigo, es una propuesta que transforma el espacio con la fuerza de la tradición reinterpretada en clave cerámica.
